EXPLANATORY NOTES

Introduction

This publication is issued each month as a supplement to the annual *Catalogue of Publications, Australia* (1101.0) of the Australian Bureau of Statistics, which lists current ABS publications and gives brief descriptions (abstracts) of their contents. In addition, a *Publications Advice* (1105.0) is issued each Tuesday and Friday listing publications released on the day of issue and expected releases on the following five days (Canberra Office) or two days (State Offices).

2. Publishing News contains brief descriptions of the contents of new publications, describes changes in ABS publications and shows other information of interest to users of ABS publications.

3. A single price now applies to publications despatched by surface mail, both within Australia and overseas, and to counter sales. Airmail rates are available on request.
